

Request for Volunteers

The Kohl's Associates in Action program supports our Associates as they volunteer to enhance the lives of youth in our local communities. To qualify for a \$500 Kohl's Associates in Action grant:

- You must have a minimum of five Kohl's Associates from one location volunteer for a minimum of three consecutive hours in one day.
- The activity must benefit a 501(c)(3) youth-serving nonprofit organization.
- Funds must be used to support youth community-wide.

Associate participation in the Kohl's Associates in Action program is done on a volunteer basis. While we encourage all of our Associates to be active members of their communities, it is a volunteer activity in the true sense of the word, and something they participate in on their own time, according to their personal schedules and the needs of their Kohl's location. **This request does not guarantee the involvement of Kohl's in an event, nor does it guarantee receipt of a \$500 grant.**

Complete and submit this form 4-6 weeks in advance of your event to the Customer Service Desk at your local Kohl's store. Contact Kohl's store management or the store's Associates in Action captain upon submission of this request to determine Kohl's availability.
