

The Kohl's Associates in Action (AiA) program was created to support our Associates as they volunteer to enhance life for youth in their local communities. To qualify for an AiA grant with Kohl's, you must have a minimum of five (5) Kohl's Associates who volunteer for a minimum of three (3) hours and the activity must benefit a 501(c)(3), youth-serving nonprofit.

Associate participation in the Kohl's AiA program is done on a volunteer basis. While we encourage all of our Associates to be active members of their communities and support their efforts to enhance life for youth, it is volunteer activity in the true sense of the word, something they participate in on their own time, according to their personal schedules and the needs of the Kohl's location.

In order for the Kohl's store in your community to inform their Associates of your activity, please use this form as a guide to provide the information they need. You can submit several programs at once using separate forms.

"Request for Volunteers" Form* must be brought to the Customer Service Desk at your local Kohl's store

Name of Nonprofit Organization: _____

How the Organization Supports Children: _____
(If awarded a grant, how would the funds benefit children?)

Nonprofit Organization Mailing Address: _____

Nonprofit or (if possible) Event Website: _____

Number of Volunteers Needed: _____

Minimum Age of Volunteers: _____

Confirmation of Kohl's Participation Required By: _____

Special Considerations (i.e. appropriate dress, indoor/outdoor activity, formal event, clothing could get damaged by paint or other elements related to the activity, etc.):

*Kohl's appreciates your support of the AiA program and appreciates the opportunity to help enrich the lives of children nationwide. Please refer to the below bullets for additional AiA information:

- **This request does not guarantee the involvement of Kohl's** in an event, nor does it guarantee receipt of a \$500 grant
- Please contact Kohl's store management upon submission of request to determine Kohl's AiA availability for the day of your event and to discuss volunteer recruitment details
