### What are TXL sheets?

Most dorm mattresses are 5" longer than the standard twin size, requiring special twin extra long (TXL) sheets. Find TXL sheets, bedding ensembles, mattress toppers and mattress pads in our bedding area of the store.

### What does the dorm typically provide?

Dorms normally provide a bed, dresser, desk, desk chair, mirror, wastebasket and shelving. Some even provide mini fridges and microwaves. Call ahead to find out what's already in the room.
