The net profit from the new cause merchandise program, launched at Kohl's in September 2010 and available year-round, supports the fight against breast cancer. Komen for the Cure® to support breast cancer research, education and patient-assistance programs.

The women's health initiative builds upon Kohl's long history of charitable involvement in the communities it serves. Since 2000, Kohl's and the Kohl's Cares program have combined to give approximately \$36 million to support charitable initiatives in the metro-Milwaukee area. Also, over the past 10 years, the company's Kohl's Cares cause merchandise program, which sells plush toys and books, has raised more than \$150 million to benefit children's health and education initiatives nationwide.
