Year to date, total sales increased 2.3 percent and comparable store sales increased 0.5 percent.

Kevin Mansell, Kohl's chairman, president and chief executive officer, commented, "Our December sales results were short of our expectations although much improved over November's results. Our e-commerce business increased 48% over last year and we remain on track to hit \$1 billion in e-commerce sales for fiscal 2011. Our results were adversely affected by sluggish sales in cold-weather categories. As a result, we have taken action to ensure our inventories are at an appropriate level entering next year."
